REGISTRATION DISC FOR HX-1/HX-3 ELECTONES

registration disc for HX-1/HX-3 Electones has 10 tracks each containing 16 registrations making a total of 160.

- ENTERTAINMENT** The lover of light organ music will doubtless enjoy this selection of sounds created with this style in mind.
- JAZZ ORGAN** Here is a selection of organ sounds in the jazz style. Play Jimmy Smith or Harry Stoneham type arrangements to enjoy these clean percussive registrations.
- BIG BAND** If your style of music is set in the Big Band era then this is the one for you. Brass and Woodwind voices abound in this terrific selection, each one available at the touch of a single button.
- SYMPHONY ORCHESTRA** If your taste is for beautifully arranged orchestral sounds, then this selection will add a new dimension to your music.
- POPS ORCHESTRA** Following the success of the 'Symphony Orchestra' set, here is the orchestral 'pops' selection. Sixteen sounds, each with an appropriate rhythm style to add a modern flavour if required.
- CLASSICAL ORGAN** Magnificent church and cathedral organ voices are yours at the touch of a button when you use this track. "Straight" sounds are arranged in order of volume using 'Great' and 'Swell' manuals.
- FAMOUS NAMES** Sound like Glenn Miller, Mantovani or a host of other famous personalities with the sounds from this set. Make your selection from Dave Brubeck, Mantovani, Reginald Dixon, Glenn Miller, James Last, George Zamfir, Shakatak, Acker Bilk or George Shearing.
- BRASS AND WOODWIND** An orchestral selection of Brass and Woodwind voices blended beautifully together for instant recall at the touch of a single button.
- POP SOUNDS** Modern sound and rhythm is the hallmark of this up to the minute collection.

10. THEATRE ORGAN

This beautifully styled selection of traditional theatre organ sounds brings with it all the nostalgia of the cinema and ballroom of days gone by.
